

After the 2nd meeting, we decided to have next meeting on 27th of June with something visual. And we held 3rd meeting at on time with everybody, and Ham who was in charge of managing website prepared an interesting composite picture consist of world map and our picture. And June prepared useful manual about converting GRID DEM file to M21 Bathymetry file and uploaded it at our workspace.

During meeting, we decided detailed procedures about GIS and software and Shobha suggested to write short introduction of ourselves with our picture. And next meeting is decided to take place on 4th of July at 11am for June, 5pm for Shobha and Michelle and 6 pm for Ham.
