20-22							
22-24							

### Time Zones

Please consider the different time zones of the partner locations!  
The first column just defines 24 hours in 2 hours blocks. We recommend to define inside your team a reference time for the whole team work. Maybe this is the timezone in which most of the team member are working.

TimeZone	Location	UTC
Greenwich Mean Time	London	+00:00
GMT	Singapore	+08:00
GMT	China, Korea, Japan	+09:00
